Integration Ideas Using Photo Story:

- Students create digital stories about themselves, family, faculty or staff members, community leaders, Letter hunts, ...)
- Class projects that demonstrate change over time (Hatching butterflies, growing plants from seed, ...)
- Fieldtrips (Jamestown, Children's Museum...)
- Stories (Students author their own stories; older students could create digital stories for younger students...)
- PSA's
- Historical Biographies of famous people (Presidents, scientists, authors, famous women...)
- Timelines
- PTA presentations (Showcase what is happening at your school)
- Classroom presentation/ Open House Welcoming (Show the kids engaged in meaningful learning activities)
