

*How does the national government get its powers?*

*How does Virginia, and other states, get their power?*

*Are there any powers that are denied?*

## The Division of Powers By the Constitution of the United States

Three Fold with Tab:

1. Fold a piece of paper in half, hot dog style, leaving a flap at the bottom for the label.
2. Fold the paper then into thirds.
3. Cut and glue the pieces onto the paper. Students will fill in information using notes, text or media.
